February 9, 2005

ACACIA AVENUE TO CLOSE PERMANENTLY AT HIGHLAND AVENUE IN RIALTO, STARTING FEBRUARY 13

Acacia Avenue in Rialto will be permanently closed south of Highland Avenue for ongoing construction of Route 210. Beginning the evening of February 13, motorists no longer will have access to Highland Avenue from Acacia.

Construction crews will be working on Highland Avenue to prepare this street for realignment north of the freeway. Acacia will be converted to a cul de sac at a later date.

Drivers may use Walnut Avenue and Baseline for east-west access. Easton Street also will be open for east-west travel, including access to Frisbie Park. Concrete barriers and signs will be posted to alert motorists of the closure.

Drivers should allow extra travel time, follow signs and be patient during construction.

Remember during construction, **Safety: It's no accident!**
